

## **Articulated College Credit**

What it means to you

### **WHY explore opportunities through Articulated College Credit?**

#### **Because Articulated College Credit means:**

- Earn university or community college credits in 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grades
- Stay in your own high school with your friends and the teachers you already know
- Explore career opportunities through high school courses
- Complete your college program sooner; save money and time
- Choose a local community college career program or a major that may lead to transfer options to a university

For more information, check with your high school college and career counselor.

#### **HOW do I get Articulated College Credit?**

- View the list of Articulated College Credit courses offered in the District (Coming Soon).
- Choose one of these courses, if the course fits your interests and career goal, or if you want to explore the career field.
- Then check in with your teacher or college and career counselor about how you can earn Articulated College Credit.

#### **WHAT do I do with the Articulated College Credit?**

- Obtain your high school transcript after you have completed your high school Articulated College Credit course.
- Enroll in a CTE program of study or major at one of the colleges or universities that offer Articulated College Credit for your course.
- Check with the registrar's office, as they will have a procedure to follow to ensure that you receive college credit for the articulated courses you have successfully completed.

#### **WHERE can I use the credit?**

- Bring your transcript, when registering at a college that has an articulation agreement with DC CTE, to receive the credit(s) earned. Other colleges MAY honor the credits.
- You must always check with the college or university of your choice for specific criteria in a program or major- not all credit will move into all programs or majors.
