

Career and Technical Education Advanced Internship Program

What is the Career and Technical Education Advanced Internship Program (CTE AIP)?

The CTE AIP is an academic year capstone internship model that places eligible high school seniors into paid and credit-bearing internship opportunities during the school year which are aligned to the scholars' CTE program of study.

What are the participating Local Education Agencies (LEAs)?

- DC International School (DCI)
- DC Public Schools (DCPS)
- Friendship Public Charter Schools (FPCS)
- IDEA Public Charter School (IDEA)
- KIPP Public Charter Schools (KIPP)
- Maya Angelou Public Charter School (MAPCS)

What is the structure of the AIP?

- The internship schedule is based on the host employer's availability and the scholar's course schedule. Interns may work 8 to 12 hours per week, this could include weekends.
- Interns will be paid the DC Minimum wage.
- Interns will be provided professional coaching for the duration of the program.
- Transportation services will be provided to eligible interns which will be based on time, distance, and safety concerns.

What are the targeted programs of study?

Architecture & Construction	Government & Public Administration
Arts, A/V Technology & Communications	Health Science
Education & Training	Hospitality & Tourism
Engineering	Information Technology
Finance & Investments	Transportation, Distribution & Logistics

What are the eligibility & program requirements?

- DC resident enrolled at a participating LEA (see list above).
- High school senior or junior (seniors are prioritized), enrolled in the fourth level course of an approved CTE program of study (students may be concurrently enrolled in third and fourth level CTE courses).
- Candidates must submit resumes and participate in host-employer interviews.
- Candidates must execute CTE AIP placement letter.
- Interns must attend and participate in professional coaching for the duration of the program.
