## CAREER READY INTERNSHIP (CRI) PROGRAM

JUNE 26 - AUG. 4

Registration for **employers** is **now open** for the 2023 summer Career Ready Internship (CRI)

Participating employers will have the opportunity to work with Career and Technical Education (CTE) scholars who have growing knowledge and experience in their respective programs of study.

- Provide meaningful work experience to a future member of the DC workforce
- Provide meaningful and effective leadership experience for your employees
- Increase production and efficiency at any worksite in your organization

Participating interns are paid \$17.00 per hour (at no cost to host employers) for up to 25 hours per week.

To confirm your participation for summer 2023, please register here: [https://bit.ly/CRI\\_ER2023](https://bit.ly/CRI_ER2023). The registration form will require the following details:

- Registrant details (contact information of the applicant and expected supervisor - if different from applicant)
- Internship details (industry, type, number of interns and position description)

For more information about the Career Ready Internship (CRI) Program, please email Simone García, Director of Industry Engagement, at [Simone.Garcia@dc.gov](mailto:Simone.Garcia@dc.gov).
